MEMORANDUM FOR ANTHONY A. LAPHAM
General Counsel
Central Intelligence Agency

Re: Intelligence Charter Legislation

Attached is our outline of the major policy issues remaining to be resolved in the Intelligence Charter legislation. A short statement of the arguments, as we understand them, is included with each issue. We continue to feel that the SCC principals should focus attention on these major issues as early as possible to avoid expending the Working Group's time on discussions or drafts that would not reflect the President's wishes.

A copy of the outline and this memorandum is being sent to the other Working Group Members.
